

Hello Future 2nd Graders!

It has been my pleasure teaching your Religion class this year, and I am so excited to be your full-time teacher next year. It's going to be a fun year, packed with lots of learning and spreading Christian *joy*.

I know you all are happy to be out of school for the summer, but please spend some time **working** on the **Summer Homework Packet** I sent home with you at the end of the school year. Just like your bodies, your brains need exercise too! There will be an extra special treat for everyone that returns a completed packet to me the first week of school.

Please read at least 10 books this summer and record them in the READING LOG found at the back of the Summer Homework packet. If you missed placed your packet and need another one please contact me or the office.

Have a happy, healthy, safe, and blessed summer! Be disciples and spread the Good News with your words and actions, loving God and others.

See you in August,

Mrs. Owens
