

# *Welcome to Third Grade!*

Hello Parents and Students,

I cannot wait to see all of you in the fall. This coming year is going to be fun and productive. We are going to learn tons of new things in all subject areas, as well as transition classes as members of the INTERMEDIATE TEAM! I will teach Math and Religion. Mrs. Tisdale will teach Social Studies and Science. Ms. Lazzari will teach Language Arts (Reading and Writing).

Responsibility and self-discipline will be “keys to success” as we embark upon our third grade journey. The Intermediate Team teachers have devised a plan to assist you in transition from subject to subject as well as classroom to classroom.

We are going to have fun and accomplish much by remembering to put God first and applying our self-discipline skills. I know everyone will work very hard to see that behavior is at its best, so that learning can take place!!! (*ORA ET LABORA*)

Remember to complete your **Reading and Math Requirements** due on the first day of school. And finally, **LIVE YOUR FAITH** by loving God and your neighbor, attending Mass/Church, and saying your prayers. I am looking forward to the great things to come for us all!

God bless you,  
Mrs. Cookie Krehling

P.S. PE uniforms must be purchased from Linda Hynde beginning in the third grade. Please send cash/check (\$28) with your child the first week of school.
