BRATS Annual Family Agreement

Your child (ren) _____ /monthly rate of \$ _____
_____ /monthly rate of \$ _____
_____ /monthly rate of \$ _____

will receive transportations services from SBCS to the designated BRATS destination upon the receipt of your monthly payment totaling \$ _____. You agree to pay St. Benedict Catholic School this total, each month, for the 10 month school year. You understand that this non-variable rate is to be honored in order for St. Benedict to successfully pay BRATS for the services rendered. Please look for your invoice in your youngest/only child's Wednesday Envelope each month. We know we can trust our families to make timely payments, and simply ask that you submit your payment within a week of receipt of invoice.

Blessings,
