January 28, 2020

Dear Saint Benedict Families,

It is my pleasure to offer you and your child or children our **Tuition Payment and Fees Policy** to be completed and returned to Saint Benedict Catholic School as your enrollment for the 2020-2021 school year!

The registration fee will be \$225 per child, and supply fee is \$100 per child (both non-refundable). However as an incentive to register early there is an **“Early Bird Special”** of \$200 Registration fee **and** \$80 Supply fee per child **only** for returning families if you register before **February 28th**. Those families whose accounts are current will be permitted to register for our next school year.

Please be aware that registration is finalized and complete when all **funds**, along with the attached tuition agreement and Contributing Catholic Agreement have been received. Once received in the office, your child or children will be placed on the appropriate class list, and registration will then be considered complete.

Thank you for allowing us the pleasure of educating your child(ren), mind, body and spirit. We love partnering with you as we live our faith each day.

God bless,,
Dr. Kathy McCool, Principal
